

Permanent deviations:

Definition: This is a daily and on-going change to a student's pick-up and or drop-off location because there will not be a responsible party at home.

- Deviations must be re-submitted every school year.
- The Deviation Form must be completed and approved before the student is able to ride the school bus from/to an established bus stop.
- Approval for deviations may take up to 5 working days.
- The deviation must occur 5 days a week and must be on-going.
- Parents are responsible for arranging transportation changes on other days.
- Please call to cancel deviations.

Temporary deviations:

Definition: Temporary and essential changes to a student's pick-up and or drop-off location because there will not be a responsible party at home.

- Temporary deviations must be approved by the Transportation office.
- Please call in no later than 1:30 p.m. for approval.
- When the deviation is along the same route, a note from a parent to bus driver or contacting the Transportation office is mandatory.
