

The Jefferson School District 251 Transportation Department is making student route information available online via the web and/or via mobile App Ride 360. We encourage all parents to register.

A few IMPORTANT facts to keep in mind:

- For boarding safety and to maintain the posted route schedule; ***students need to be waiting at their stop for the bus – the bus cannot wait for students, not at the bus stop.***
- Please pay attention to the “IMPORTANT MESSAGE” content in Ride 360.
- Times listed are the Transportation Departments best estimate. Expect a greater time variance for the route from school to home.
- Ride 360 will be the preferred method used to notify Parents/Guardians of Transportation delays or concerns.
- Please keep your student’s address and contact information current in PowerSchool and allow 3 school days for changes to be reflected in Ride 360.

NOTE: Wednesday’s early release schedule is not be reflected in Ride 360.
